# EB240S BLOWER

The EB240S hand-held blower makes the big league.

Fast and flexible, the EB240S is often quicker than a backpack from truck to task. It's also a great choice when you're responsible for a number of small jobs.

## THE EB240S DELIVERS NEW LEVELS OF COMFORT AND CONVENIENCE!

### EB240S FEATURES

- c Lighter, more efficient, durable glass-filled nylon impeller.
- c Quicker throttle response, faster acceleration.
- c Less gyroscopic effect for reduced wrist fatigue.
- c Half-pound lighter than the EB240.
- c Extra air flow to the engine for better cooling.
- c 166 mph airflow (same as EB240).
- c 307 cfm air volume (same as EB240).

The "S" stands for Super!

### EB240S Specifications

|                 | <b>EB240S "Super"</b>                 |
